Notice of Ex Parte (WT Docket No. 10-153)

Dear Ms. Dortch:

On August 2, 2011, the undersigned, of the New America Foundation's Open Technology Initiative (NAF) spoke by phone with Louis Peraertz, Legal Advisor Wireless, Commissioner Clyburn regarding the Commission's Notice of Proposed Rulemaking (NPRM) to allow the authorization of "auxiliary stations" for Fixed Services (FS) licensees. I reiterated NAF's support to allow FS licensees to operate "auxiliary stations" in conjunction with existing wireless links to promote more efficient use of spectrum that would otherwise lay fallow.

Respectfully submitted,
